The American Association for the Advancement of Science (AAAS) is the most trusted resource for science across disciplines, empowering scientific information in the public sphere.

By joining, you are bridging a gap between science and society. You are strengthening an organization that develops evidence-based policy making, enhances science education, and communicates unbiased science to the public. Your membership includes:

**Access to the latest information**
- 51 weekly issues of *Science*, the leading journal of original science research
- Timely science and technology news through newsletters, and daily alerts
- Member-only webinars, videos, blogs, online courses, podcasts, and more
- Customized programs for undergraduate and graduate students, teachers, academics, scientists, engineers, and retirees

**Lifelong career support**
- Career resources and networking opportunities
- Access to research dating back to 1880
- Leadership development through committees and work groups
- **Coming Soon:** certificate-level professional and career development courses

**Engagement with other members that share your values**
- Advocacy, community outreach, and volunteer opportunities
- Cross discipline events
- Discipline specific sections

**Impact**
- Supporting AAAS advocacy on scientific issues and public engagement

**Savings**
- Discounts on journals, meetings, products, and services

☐ Yes! I want to advance science, engineering, and innovation throughout the world for the benefit of all people.
